

What do we do?

It's not just on Friday Nights!

FNL, or Friday Night Live, is a statewide youth drug and alcohol prevention program.

Friday Night Live:

Is youth led and youth driven!

Helps youth develop leadership and life skills

Provides meaningful and caring relationships between youth and adults

Promotes the belief in youth's capacity to contribute ideas, compassion, knowledge and strength to a community

What is Club Live?

Grades 6-8

We focus on drug and alcohol education, peer pressure, self-esteem, and life skills.

We play fun teambuilding games, invite guest speakers and host get-togethers with other schools.

It's a great way to meet friends!
(Plus – there are snacks!)

Club Live is currently active at:

Soulsbyville Elementary – Tues. at lunch, Room 40

Sonora Elementary – Wed. at lunch, Room R1

Twain Harte Elementary – Thurs. at lunch, Cafeteria

Columbia Elementary – Wed. at lunch; Portable 18

What is FNL?

High School — Grades 9-12

In high school, FNL youth design and implement a community or school project about current issues with drugs, alcohol, health, and traffic safety.

For example, FNL has worked with law enforcement on underage drinking prevention, updated their school handbooks, and brought activities to elementary schools.

We also participate in the annual Youth Traffic Safety Summit in Anaheim!
