**Opinion**

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of **Amador Tuolumne Community Action Agency**, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise **Amador Tuolumne Community Action Agency's** basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of Amador Tuolumne Community Action Agency as of June 30, 2023, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Amador Tuolumne Community Action Agency and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Amador Tuolumne Community Action Agency's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Amador Tuolumne Community Action Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Amador Tuolumne Community Action Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and time of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquires, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

## **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and California Department of Education state awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2023 on our consideration of Amador Tuolumne Community Action Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grants agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Amador Tuolumne Community Action Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Amador Tuolumne Community Action Agency's internal control over financial reporting and compliance.

## MANAGEMENT'S DISCUSSION AND ANALYSIS

This section of the annual financial report of the Amador Tuolumne Community Action Agency presents a discussion and analysis of the Agency's financial performance during the fiscal year ended June 30, 2023. It should be read in conjunction with the Agency's financial statements following this section.

### FINANCIAL HIGHLIGHTS

The following illustrates some of the Agency's financial highlights. More detail on these items is included in the Government-wide Financial Analysis which follows.

- Total programmatic revenue for the fiscal year increased by 6.0% over the prior year (Table 3). Programmatic revenue does not include revenue used for Fixed Assets or for Indirect Costs. Governmental programmatic funds saw a 5.2% increase for the year of \$566,194 while other funding increased by \$123,095 (24.7%).
- The Agency's total net position decreased by \$6,412 (Table 1), primarily due to depreciation exceeding the purchase of assets.
- During the fiscal year, the Agency's total revenue exceeded expenses by \$12,544 (Statement of Revenues, Expenditures and Changes in Fund Balances, page "14"). This amount is made up primarily of increases to the Agency's community donations.
- Cash increased by \$266,035 (from \$2,074,003 as of 6/30/22 to \$2,340,038 as of 6/30/2023); accounts receivable increased by \$972,410 (from \$2,392,997 as of 6/30/22 to \$3,365,407 as of 6/30/2023) and unearned revenue increased by \$2,063,562 (from 2,599,401 as of 6/30/22 to \$4,662,963 as of 6/30/23). These changes are due the receipt of Homeless Housing Assistance and Prevention Program (HHAP) advance funding and new receivable contracts and their deferred obligations.

### OVERVIEW OF THE FINANCIAL STATEMENTS

The discussion and analysis in this section are intended to serve as an introduction to the Agency's Basic Financial Statements. The Agency's Basic Financial Statements consist of three components:

- Government-wide Financial Statements,
- Fund Financial Statements, and
- Notes to the Basic Financial Statements.

Required Supplementary Information is included in addition to the Basic Financial Statements.

**Government-wide Financial Statements** are designed to provide readers with a broad overview of the Agency's finances, using accounting methods similar to those of a private-sector business.

The *Statement of Net Position* presents information on all of the Agency's assets and deferred outflows of resources and liabilities as of the end of the fiscal year, with the difference reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Agency is improving or deteriorating.

# AMADOR TUOLUMNE COMMUNITY ACTION AGENCY

## MANAGEMENT'S DISCUSSION AND ANALYSIS

The *Statement of Activities* presents information on how net position changed during the fiscal year, with revenues and expenses by major type or function. Revenues and expenses are reported when the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods.

All of the Agency's activities are considered *Governmental Activities*.

**Fund Financial Statements** are the more familiar groupings of related accounts that are used to keep track of specific sources of funding and spending for particular purposes.

All of the Agency's basic services are reported in *Governmental Funds*. Information is presented separately for the General Fund and the Special Revenue Fund in the Governmental Funds Balance Sheet and in the Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances.

The *Special Revenue Fund* contains financial information, combined into a single, aggregated presentation, for all revenue sources that are restricted for a specific purpose.

The *General Fund* is used to account for unrestricted financial resources.

Fund Financial Statements do *not* include depreciation expense, as Government-wide Financial Statements do. Fund Financial Statements include, as an expense, the cost of purchasing capital assets and principle payments of long term liabilities, while Government-wide Financial Statements do not. A reconciliation of the two types of financial statements is presented in the audit with the Fund Financial Statements.

**Notes to the Basic Financial Statements** provide additional information that is essential to a full understanding of the data provided in the Government-wide and Fund Financial Statements.

**Supplementary Information** is included to provide detailed data for individual special revenue funds, and includes budgetary comparison schedules as required by specific funding sources.

**Comparative Data** from prior periods is included for purposes of a comparative analysis.

**Table 1** shows the status of ATCAA’s net position (assets and deferred outflows of resources in excess of liabilities and deferred inflows of resources), which may serve over time as a useful indicator of the Agency’s financial position. Net position of \$5,830,421 as of June 30, 2023 reflects a decrease of \$6,411 for the year, due primarily to depreciation exceeding asset purchases. During both FY2023 and FY2022, ATCAA did not have deferred inflows of resources or deferred outflows of resources as defined under the current standards of Governmental Accounting Standards Board Statement (GASBS) No. 65, in effect as of the date of the audit report.

*Current Assets* (e.g. cash in bank, accounts receivables, prepaid deposits and expenses, and materials inventory) increased overall by \$1,178,765, primarily as a result of increased Cash (\$266,035 from program advances) and Accounts Receivable (\$972,410 from new housing and food bank contracts) .

*Current Liabilities* (e.g. accounts payable (vendors), salaries and benefits payable, the line of credit, and unearned revenue) increased by \$946,740 primarily due to a net increase in accounts payable plus deferred revenue (\$1,021,496) that resulted from new HHAP housing contracts on behalf of the Central Sierra Continuum of Care.

**AMADOR TUOLUMNE COMMUNITY  
ACTION AGENCY**

**MANAGEMENT’S DISCUSSION AND ANALYSIS**

*Investment in Capital Assets* (e.g. land and easements, structures and improvements, and equipment) is the largest portion of Net Position. The Agency uses these capital assets to provide services to the communities; consequently, these assets are not available for future spending. Investment in Capital Assets decreased by \$28,580 as a result of depreciation expense exceeding program equipment purchases, which were not needed after the prior year’s exceptional purchases

*Restricted Fund Balance* represents resources that are subject to *external* restrictions on how they may be used.

*Unrestricted Fund Balance* represents resources that are subject to *internal* restrictions on how they may be used. The Agency has *Committed* or *Assigned* a portion of Unrestricted Fund Balance for specific purposes (Balance Sheet, page 10).

**Table 2** presents condensed financial information derived from government-wide financial statements. The table shows program expenses by function as well as program revenues and general revenues by major source. Program expense includes the noncash expense of depreciation and does not include the cash expenditure of major equipment paid with grant funds. Revenues increased from Head Start, LIHEAP, food bank and housing programs – along with their associated expenses.

**Table 4** presents a review of the annual change in net governmental programmatic revenue received during the eight-year cycle beginning with fiscal year ending 2016. Programmatic revenue does not include revenue used for purchasing Fixed Assets or for Indirect Costs. Governmental programmatic funds increased in 2023 by \$566,194, primarily due to increased Head Start and food bank funding, as well as administration of housing funds for the Central Sierra Continuum of Care. COVID funding slowed.

**Table 5** shows the percentage of the Agency’s total programmatic funding that is derived from governmental contracts and grants during the eight-year cycle beginning with fiscal year ending 2016. Government funding includes Federal, State and local government sources. Increases or decreases are dependent upon Federal and State appropriations. Since the Agency was first formed in 1981, it has routinely operated with fluctuations in government resources. Management, Administration and Board members review budgets and expenditures on a routine basis; adjust budgets, staffing and levels of service as the need arises; and proactively seek program funding for continued growth. Governmental funding consistently comprises over 80% of total programmatic funds.

**CONTACTING THE AGENCY’S FINANCIAL MANAGEMENT**

This financial report is designed to provide the Agency’s citizens, taxpayers, customers, and creditors with a general overview of the Agency’s finances and to demonstrate the Agency’s accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Agency’s Fiscal Officer at 10590 State Highway 88, Jackson, California 95642.

# AMADOR TUOLUMNE COMMUNITY ACTION AGENCY

## NOTES TO FINANCIAL STATEMENTS

### Note 1. Nature of Organization and Significant Accounting Policies

The Amador Tuolumne Community Action Agency (“the Agency”) acts as the official Community Action Agency for Amador and Tuolumne Counties. The Agency operates under a Joint Powers Agreement between Amador and Tuolumne Counties and in compliance with the applicable standards and regulations set forth by the State of California. Amador Tuolumne Community Action Agency has a governing board including members from the Board of Supervisors of Amador and Tuolumne Counties. The Agency is separate and apart from the counties of Amador and Tuolumne. The Agency’s financial statements include the accounts of all the Agency’s operations.

#### Reporting Entity:

The Agency’s financial statements are prepared in accordance with generally accepted accounting principles (GAAP). The Governmental Account Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). Governments are also required to follow pronouncements of the Financial Accounting Standards Board (FASB) issued through November 30, 1989 (when applicable) that do not conflict with or contradict GASB pronouncements.

#### Government-Wide and Fund Financial Statements:

The government-wide financial statements (i.e. the statement of net position and the statement of changes in net position) report information on all of the activities of the Agency. The inter-fund activity has been removed from these statements. Governmental activities, which are normally supported by taxes and intergovernmental revenues, are reported separately from business-type activities which rely significantly on fees and charges for support. The Agency does not have any business-type activities.

The statement of activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided from a given function and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Currently, the Agency does not have any proprietary or fiduciary fund types. The Agency uses a General Fund and a Special Revenue Fund to account for grant activity.

**AMADOR TUOLUMNE COMMUNITY  
ACTION AGENCY**

**NOTES TO FINANCIAL STATEMENTS**

**Note 1. Nature of Organization and Significant Accounting Policies (Cont.)**

Measurement Focus and Basis of Accounting:

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements posed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Agency considers revenues to be available if they are collected within 60 days of the end of the fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting.

Budgetary Information:

The Agency is not legally required to adopt an annual budget. Because the Agency does not adopt a legally required budget, it has not been presented, as part of the *Required Supplementary Information*, any budgetary comparison information. For budgeting purposes, budgetary control is maintained on an individual fund basis.

Fund Balances:

The Agency implement GASB Statement 54 "Fund Balance Reporting and Governmental Fund Type Definitions." This Statement provides more clearly defined fund balance categories to make the nature and extent of the constraints placed on the Agency's fund balances more transparent. The following classifications describe the relative strength of the spending constraints placed on the purposes for which resources can be used:

*Nonspendable fund balance:* amounts that are not in a spendable form, such as inventories, prepaid amounts, or long-term loans and notes receivable.

*Restricted fund balance:* amounts constrained to specific purposes by funding sources. Restricted fund balance amounts will be used before unrestricted amounts, when an expense is incurred for purposes for which both restricted and unrestricted fund balance are available.

*Committed fund balance:* amounts constrained by the Board of Directors. Committed fund balance cannot be used for any other purpose unless the Board of Directors takes action to remove or change the constraint. Action to constrain resources must occur prior to year-end; however, the amount can be determined in the subsequent period.

**AMADOR TUOLUMNE COMMUNITY  
ACTION AGENCY**

**NOTES TO FINANCIAL STATEMENTS**

**Note 1. Nature of Organization and Significant Accounting Policies (Cont.)**

Fund Balances (Cont.):

*Assigned fund balance:* amounts that are intended to be used for a specific purpose but do not meet the criteria to be classified as either restricted or committed. The Board of Directors delegates authority to the Executive Director to identify assigned fund balances. Assigned fund balance amounts will be used before unassigned amounts, when an expense is incurred for purposes for which both assigned and unassigned fund balance is available.

*Unassigned fund balance:*

- General fund: amounts not classified as non-spendable, restricted, committed or assigned fund balance.
- All funds other than the general fund: amounts expended in excess of resources that are non-spendable, restricted, committed or assigned (a residual deficit). In determining a residual deficit, no amount should be reported as assigned.

Unassigned fund balance amounts will be used before committed amounts, when an expense is incurred for purposes for which both unassigned and committed fund balance is available.

Accounts Receivable:

The Agency considers receivables to be fully collectible; accordingly, no allowance for doubtful accounts has been provided. If amounts become uncollectible, they are charged to operations in the period in which that determination is made. Accounting principles generally accepted in the United States of America require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

Inter-fund Transactions:

Receivable and payable from inter-fund transactions are classified as “Inter-fund Receivables” or “Inter-fund Payables” in the accompanying governmental funds balance sheet.

Capital Assets:

Capital assets are shown at the cost at the date of purchase. It is the Agency’s policy to capitalize any additions in excess of \$5,000. Depreciation of capital assets is provided on the straight-line method over the following estimated useful lives of the assets:

Structures and improvements	15-40 years
Vehicles and equipment	5-15 years

**AMADOR TUOLUMNE COMMUNITY  
ACTION AGENCY**

**NOTES TO FINANCIAL STATEMENTS**

**Note 1. Nature of Organization and Significant Accounting Policies (Cont.)**

**Capital Assets (Cont.):**

The Agency reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of the property may not be recoverable. Recoverability is measured by a comparison of the carrying amount to the future net undiscounted cash flow expected to be generated and any estimated proceeds from the eventual disposition. If the long-lived asset is considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying value amount exceeds the fair value as determined from an appraisal, discounted cash flows analysis, or other valuation technique. At June 30, 2023, there were no impairment losses recognized.

Property and equipment purchased with grant funds is owned by the Agency while used in the program for which it was purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the property and equipment purchased with grant funds. Its disposition, as well as the ownership of any proceeds there from, is subject to funding source regulations. Upon termination of the grant contracts, the grantors have a reversionary interest in such property and equipment. As of June 30, 2023, the net book value of the grant-funded property and equipment was \$0, which is included in the net balance of the property and equipment in note 4.

**Estimates:**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Weatherization Inventory Materials:**

Inventory consists of weatherization materials purchased for use in the Agency's Energy Program. All purchases are recorded as inventory and charged as weatherization materials when used. The inventory is stated at the lower of cost or market, with cost determined by the first-in first-out method.

**Fair value of financial instruments:**

The carrying amount of financial instruments, including cash and cash equivalents, accounts receivable, prepaid expenses, refundable deposits, accounts payable, salaries and benefits payable, and accrued paid time off approximate their fair value due to the short-term maturities of these instruments.

**Accumulated Paid Time Off:**

Accumulated paid time off (PTO) benefits are recognized as a liability of the Agency. The value of accumulated PTO at June 30, 2023 was \$197,643.

**AMADOR TUOLUMNE COMMUNITY  
ACTION AGENCY**

**NOTES TO FINANCIAL STATEMENTS**

**Note 1. Nature of Organization and Significant Accounting Policies (Cont.)**

Cash and cash equivalents:

The Agency considered all cash on hand, checking and savings accounts and the external investment pool as cash.

Subsequent events:

Management has evaluated subsequent events through December 15, 2023, the date through which the financial statements were available to be issued and determined no events or transactions have occurred that require recognition or disclosure in the financial statements.

**Note 2. Cash and Investments**

The table below is designed to disclose the level of custody credit risk assumed by the Agency based upon how its deposits were insured or secured with collateral at June 30, 2023. The categories of credit risk are defined as follows:

- Category 1: Insured by FDIC or collateralized with securities held by the Agency in its name.
- Category 2: Uninsured by collateralized with securities held by the pledging financial institution's trust department or agent in the Agency's name.
- Category 3: Uninsured and uncollateralized; or collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the Agency's name, or collateralized with no written or approved collateral agreement.

<u>Type of Deposits</u>	<u>Category</u>	<u>Total Carrying value</u>	<u>Fair value</u>
Cash Deposits (in Bank)	1	\$ 2,058,018	\$ 2,058,018
Local Agency Investment Fund (LAIF)	N/A	282,020	282,020
<b>Total Deposits</b>		<u>\$ 2,340,038</u>	<u>\$ 2,340,038</u>

Investments held in the California State Treasurer's Local Agency Investment Fund are not subject to categorization and have been reported as cash equivalents. These funds have a relatively high and consistent yield at minimum risk as their primary objective. Decisions regarding these investments are made by agents for the Agency who are acting in accordance with agreements with the Agency.

The Agency’s rents and leases for the office space and other structures are cancelable in the event of funding cancellation or major program changes with no more than 90-day notice. The total rent and lease expenses incurred by the Agency was \$265,010 for the year ended June 30, 2023.

**Note 8. Retirement Plan**

The Agency contributes to the “Amador Tuolumne Community Action Agency Retirement Plan,” a defined contribution prototype retirement plan, for its regular status employees. An employee must be 18 years of age to participate. This plan is administered by a third-party administrator, Jordan and Associates.

Benefit terms for the plan, including contribution requirements, are established and may be amended by the Agency Board of Directors. For each employee in the plan, the Agency contributes 7.5% of gross wages yearly to individual employee accounts. Employees may make contributions to the plan, up to applicable Internal Revenue Code limitations. For the year ended June 30, 2023, employee contributions totaled \$48,014. The Agency recognized retirement expenses of \$169,708 (Agency Contribution). For the year ended June 30, 2023, the Agency recorded a retirement payable of \$13,126, which is included in Salaries and Benefits Payable on the statement of net position. Employees are immediately vested in all contributions upon entry to the plan. As a result, there is never any forfeiture to the plan.

ACTION AGENCY**

**NOTES TO FINANCIAL STATEMENTS**

**Note 9. Medical Insurance**

Contributory Health and Dental group insurance plans and voluntary vision and life/AD&D group insurance plans are available to full-time employees.

For the year ended June 30, 2023, employee contributions were equal to 13% of premiums for contributory group plans and 100% premiums for voluntary plans. Grantors are charged for the balance of the cost of the plan. Total employer share of the cost of the plan was \$764,864 for the year ended June 30, 2023.

Employees' contributions and the amount charged to grantors are maintained in a reserve account from which are paid monthly premiums to carriers, contributions to employees' Health Saving Accounts, and periodic Wellness benefits as approved by the Board of Directors.

Only employees and their dependents are eligible to participate in the Agency's health plans.

**Note 10. In-Kind Contributions**

The Agency receives donated goods and volunteer services during the year. The in-kind donations are recorded as both revenue and expense, in accordance with accounting principles generally accepted in the United States of America and are valued as follows:

Services - valued at a fair market wage for the particular service and service area.

Goods - valued at fair market value by the Agency.

The total in-kind revenues and expenditures for the year ended June 30, 2023, were \$2,008,808.

**Note 11. Commitments and Contingencies**

Grantor Agencies: The Agency has received state and federal funds for specific purposes that are subject to review and audit by grantor agencies. Although such audits could general expenditure disallowances under the terms of the grants, it is believed that any required reimbursements will not be material.

Lawsuits: The Agency is not a defendant in any current lawsuits.

**Note 12. Related Party Transactions**

Amador Tuolumne Community Resources (ATCR) is a nonprofit public benefit corporation, formed under Internal Revenue Code 501(c)(3), for the specific purpose of soliciting funds to render assistance to the Agency, or its successor agencies, in the development and delivery of human services.

**AMADOR TUOLUMNE COMMUNITY  
ACTION AGENCY**

**NOTES TO FINANCIAL STATEMENTS**

**Note 12. Related Party Transactions (Cont.)**

The ATCR Board of Directors consists of five members. One of the Board seats is designated for the Executive Director of the Agency. The remaining seats are appointed by the Agency’s Board of Directs. As of June 30, 2023, two of the five seats are filled by members who also sit on the Agency’s Board.

The Executive Director of the Agency serves as Executive Director of ATCR and has responsibilities for the general supervision of the business activities.

**Note 13. Interfund Receivables and Payables**

Interfund transactions are reflected as receivables and payables as appropriate, are subject to elimination upon consolidation.

Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures/expenses. Reimbursements are when one fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers. Transfers between funds are netted as part of the reconciliation to the government-wide presentation.

Interfund receivables and payables as of June 30, 2023 are summarized as follows:

	Receivables / Payables
Special Revenue Funds	\$ 1,825,487
General Fund	(1,825,487)
Total	\$ --

**Note 14. Nutrition Program**

The Agency had a nutrition agreement with the CDSS for Child and Adult Care Food Program, as reported in the Schedule of Expenditures of Federal and California Department of Education State Awards. However, no nutrition audit report schedules are included in the audit because: (1) the audit disclosed no nutrition overpayments, underpayments, or program findings; (2) the Agency did not request reimbursement of audit costs; and (3) the audit is not a program-specific nutrition audit.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors  
**Amador Tuolumne Community Action Agency**  
Jackson, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Amador Tuolumne Community Action Agency (the Agency), as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements, and have issued our report thereon dated December 15, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Agency's internal control. Accordingly, we do not express an opinion of the effectiveness of the Agency's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Agency's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## **INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors  
**Amador Tuolumne Community Action Agency**  
Jackson, California

### **Report on Compliance for Each Major Federal Program**

We have audited Amador Tuolumne Community Action Agency's, compliance of the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Agency's major federal programs for the year ended June 30, 2023. The Agency's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Agency complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

### **Basis for Opinion on Each Major Federal Program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial Audit contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Agency and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Agency's compliance with the compliance requirements referred to above.

### **Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Agency's federal programs.

## **Auditors' Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Agency's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about the Agency's compliance with the requirements of each major federal program as a whole. In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Agency's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Agency's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## **Report on Internal Control Over Compliance**

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in the internal control may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**SCHEDULE OF EXPENDITURES OF FEDERAL  
AND CALIFORNIA STATE AWARDS (Cont.)**

For the Year Ended June 30, 2023

Note A – Basis of Presentation:

The schedule expenditures of federal and state awards includes the federal award activity of Amador Tuolumne Community Action Agency under programs of the federal government for the year ended June 30, 2023. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of Amador Tuolumne Community Action Agency, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Amador Tuolumne Community Action Agency.

Note B – Summary of Significant Accounting Policies:

Expenditures reported on the accompanying schedule are reported on the accrual basis of accounting. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the financial statements of the federal program. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note C – Indirect Cost Rate:

Amador Tuolumne Community Action Agency has not elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance for some of their grants.

**NOTES TO THE CHILD CARE AND DEVELOPMENT PROGRAM  
SUPPLEMENTAL INFORMATION**

Year Ended June 30, 2023

In accordance with the applicable requirements from the Funding Terms & Conditions:

1. Interest expense is only allowable as a reimbursable cost in certain circumstances when it has been preapproved by the administering state department or relates to the lease purchase, acquisition, or repair or renovation of early learning and care facilities owned or leased by the Agency. There was no allowable interest expense claimed as a reimbursable expense for the year ended June 30, 2023.
2. All expenses claimed for reimbursement under a related party rent transaction must be supported by a fair market rental estimate from an independent appraiser, licensed by the California Office of Real Estate Appraisers. There was no related party rent expense claimed as a reimbursable expense for the year ended June 30, 2023.
3. Bad debt expense is unallowable unless it relates to uncollected family fees where documentation of adequate collection attempts exists. No bad debt expense was claimed to a child development contract for the year ended June 30, 2023.
